2	Facilitated Discussion
3	Audience Q and A Period
4	Wrap Up – What's Next for SOR, Key Takeaways

SOR Overview

Jennifer Sabin, SOR Executive Director

SOR III Goals: September 2022 to September 2023

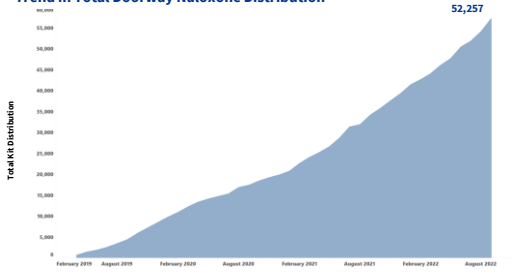

Building Blocks: SAHMSA and NH DHHS

SOR Highlights:

- 43,472 bed nights for clients with Medicaid in residential treatment locations
- Assisted 120 Doorway clients with housing costs at recovery residences
- 494 individuals trained by RCOs in building recovery capital associated with gainful employment
- 211 received an average of 700 calls per month resulting in a referral to a Doorway
- Assisted children and their families through the Adverse Childhood Experiences Prevention Program
- 10,455 respite bed nights provided to 2,329 individuals

Trend in Total Doorway Naloxone Distribution

What is a Doorway?

What is The Doorway Model?

- Centralized and integrated system
- Receiving referrals from many different origins
- Consolidated information
- Streamlined resources
- Continued support and follow through
- Client-centered community linkage and referrals

Doorways – Client Services

- Screening and Crisis Stabilization
- Evaluation and Care Planning
- Benefits & Programs
- Facilitated Referral
- Continuous Recovery Monitoring

The Doorway at...
